Sports

The weather has not been kind to us these past weeks; we have had to postpone many events and swimming sessions due to rain and water-logged fields. We thank everyone for their cooperation and coordination of pick-ups and drop-offs on these days, especially when sporting matches and festivals are postponed.

Sports and extracurricular activities will be ending for Term 1 on the 11th of April. Due to Parent meetings, there will be no sports or extracurricular activities during the last week of school.

Parent meetings

14-16th April Parent meeting slips have been sent home. Please check your meeting time. We look forward to seeing you then. Parent meetings will be starting at 1 pm. Please coordinate pickups for children accordingly.

Behaviour

Roasting—We have noted that “roasting,” a form of name-calling, is on the rise. Please talk to your children about how they engage with others. The school does not condone name-calling, shaming, or bullying behaviour and will firmly address it.

IBT Results

IBT Results have come in for 2024. Well done to all the students who wrote. A school report is available in the office for those who want to see it. Individual reports will be sent home with the reports. The following certificates were received:

19 Distinctions

16 High Distinctions

Fees

We remind parents with outstanding fees to please settle their accounts promptly. Termly payers should have settled their accounts; monthly payers, please make payment before the 7th of each month to avoid disruption to learning. Learners with outstanding amounts and no current payment plan or communication to the school, will face disruption to learning.

We look forward to the remainder of Term One with all of you. Please do not hesitate to contact the school office should you need to.

Kind regards

Thea
