Fees

The school relies entirely on fee income, and timely payments are essential for smooth operations and financial sustainability. We remind parents with outstanding fees to please settle their accounts promptly.

Termly payers should have settled their accounts. Monthly payers: payments are due before the 7th of each month. We encourage parents to please pay accordingly to avoid disruption to learning. Learners with outstanding amounts and no current arrangements with the school cannot return to school after the mid-term break.

Please do not hesitate to contact the school office should you need to.

Kind regards

Thea
