NEWSLETTER 3 2026

Dear Parents and Guardians

Please see below for the latest updates.

Upcoming Events:

May

Mon 18th – Open Term 2

June

Sat 13th – U11 Hockey

Fri 19th – Culture Day

Fri 26th – Close mid-term

Parent Meetings

Thank you to those of you who joined us for the parent meetings at the end of term one; it is always lovely to see the parents and to have the opportunity to connect.

Sport Term 2

We wish our Cricket boys travelling to eMalahleni on Friday, to represent the school, all the best.

There will be no sports or extra-curricular activities for the first week of term. All activities will start from the 25th of May.

Both Girls and Boys will be doing hockey for the first half of term. After mid-term, girls will play netball, boys will play soccer, and all children will do athletics.

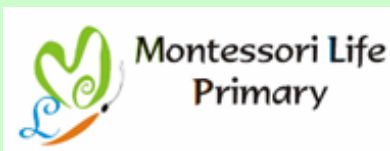

School Developments

Many of you may have observed that construction has started on two guard houses, one for each parking area. Each guard house will feature a bathroom and lighting, offering necessary shelter for our security personnel. They will also be fitted with two-way radios to communicate with the office and command centres. Furthermore, new gates with two-way visibility will be installed.

All these improvements are fully funded by a security grant awarded to the school by the US Embassy.

Upper Elementary Trip

The Upper Elementary Classes will visit Konka, between Magaliesberg and Rustenburg. The forms have been sent home via the groups, and soft copies will be sent out in the new term. We have visited there once before; it was one of the most exciting tours we have undertaken.

Fees

We remind parents with outstanding fees to please settle their accounts promptly. Termly payers should have settled their accounts; monthly payers, please make payment before the 7th of each month to avoid disruption to learning. Learners with outstanding amounts and no current payment plan or communication with the school, will face disruption to learning.

Please feel free to contact the school team via the channels available whenever needed. Open communication between home and school helps nurture a strong partnership and supports the best possible outcomes for your child.

We look forward to a happy and productive term together.

Kind regards

Thea
