NEWSLETTER # 3 2025

Dear Parents and Guardians

Staff Update

We will be welcoming the following staff onto our team:

Angela Nhancume will be joining class 1 as a Support Teacher. Angela has 5 years of teaching experience, a teaching certificate, and Jolly Phonics Training. Angela has been teaching at Meadows Primary School in Matsapha. Angela will be joining the team on the 17th of February.

Shelly Cory will be replacing Gerard in Class 4. Shelly has 16 years of teaching experience and holds a Bachelor's in Education. Shelley joins us from Sifundzani Primary and will join the team on the 10th of March.

Amanda-Leigh McGuire will be replacing Meghan in Class 2. Amanda has 20 years of teaching experience and holds a Bachelor's in Education. Amanda joins us from Usutu Forest Primary. She will start with us at the beginning of Term 2, 13th May 2025.

Practical Life - we are excited to announce that Ms Phumie (Current Class 1 Teacher) will be developing our Practical Life classroom. Ms Phumie is a trained Montessori Teacher with over 10 years of teaching experience at Montessori Life Primary. She will bring her experience and Montessori Training to life, further developing one of the cornerstones of the Montessori curriculum. In addition, Ms Phumie will be running the Conversational SiSwati classes. Ms Nokwanda will continue to teach Advanced SiSwati.

Drama - as stated, Ms Nokwanda will continue teaching Advanced SiSwati. In addition, she is very excited to fully immerse herself in the Drama department, an area that she has always invested time in. We look forward to seeing Ms Nokwanda draw on her university experience, and the continued growth of the Drama department.

Music - Mr Josh will continue teaching Music. Mr Josh completed his studies in Music and has had 3 years of guidance from Mr MX, in developing his theoretical and practical knowledge. We look forward to seeing Mr Joshua's continued growth.

Although it can be challenging to bid farewell to those whom we know and cherish, we acknowledge that change is an inherent aspect of life, facilitating new opportunities for both individuals and the educational institution.

Kind regards

Thea
