Sport Term 2

We commend our hockey teams on a fantastic season so far. It is clear that the standard and skill level in the game have improved significantly this year. Congratulations to all.

After the mid-term, we will switch sports: girls will play netball, boys will play football, and all students will take part in athletics. We anticipate a fun-filled and equally rewarding second half of the season.

School Developments

Our guard houses are now complete, greatly enhancing the campus's safety. These facilities enable radio communication with the Buffalo Soldiers and the US Embassy, as well as two-way contact with the office. We also want to emphasise the importance of diligent sign-in and sign-out procedures and kindly ask parents to be patient and cooperative with this process.

All these improvements are fully funded by a security grant awarded to the school by the US Embassy.

Upper Elementary Trip

The Upper Elementary Classes will visit Konka, between Magaliesberg and Rustenburg. The forms have been sent home. We remind parents to please return forms as part of the trip registration.

Parent Support

We sincerely appreciate all the parents who continually support our school community. Whether you give your time by serving on the PTA, attending sporting events, visiting the campus, donating books or treasured items, helping to paint walls, or sharing your unique talents and skills, your contributions make a meaningful difference.

Your generosity, involvement, and encouragement help create the vibrant community and positive spirit that make our school such a special place.

A heartfelt thank you to everyone who consistently steps forward to help, as well as those who quietly support and cheer us on from the sidelines. We are truly grateful for all that you do.

Fees

We remind parents with outstanding fees to please settle their accounts promptly. Termly payers should have settled their accounts; monthly payers, please make payment before the 7th of each month to avoid disruption to learning. Learners with outstanding amounts and no current payment plan or communication with the school will face disruption to learning.

Please feel free to contact the school team via the channels available if needed. Open communication between home and school helps nurture a strong partnership and a supportive school environment for the children.

Kind regards

Thea
